PART ONE IMPROVEMENTS DOCUMENT

Below are the changes I have made to my part one html only website

Homepage

- Added external CSS
- Placed the navigation bar to far right
- Placed headings and paragraphs in the center
- Used fonts sans-serif and Ariel
- Used glass morphism in the footer to place all the information in my footer
- Added media queries so it can be used on different devices

Products and services

- Added external CSS
- Positioned all the pictures that display the products horizontally
- Implemented a hover style that zooms in pictures when you click on it
- Added an add to cart button and placed it under every picture that displays the products
- Placed the heading in the center
- Used an Ariel font
- Decreased the font size
- Placed the navigation bar on the far right

About Us

- Added an image
- Placed a border and border radius around the image
- Wrapped the image with the about us heading and paragraphs
- Used a font size of 12px
- Placed heading 3 under the about us text
- Surrounded my core values with borders and border radius

Contact us

- External CSS
- Placed my navigation bar on the far right
- Changed the background color of the contact details
- Added CSS properties like margins and border to style the send message option
- Updated the location

Gallery

- External CSS
- Placed my navigation bar on the far right
- Added borders around the pictures and hovers that allows the pictures to be zoomed in
